TO WEIGHTS AND MEASURES OFFICIALS

SUBJECT: Service Agency Registration and Agent Licensing Information

Last year, the above information was sent to counties on a CD and was apparently well received. This year the information is available on the Department's notification system at www.cdfa.ca.gov/countyag/postings in pdf format. It will be searchable using Adobe Acrobat reader version 4.0 or newer. We are hoping this format will permit officials to determine the registration or licensing status of agencies and agents more readily than in the past. The information is current to the date of posting. We anticipate periodic updates at a minimum of once each quarter, more often as staffing levels permit.

If you have any further questions, please contact Ken Lake, Program Supervisor, at (916) 229-3050.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Cleary".
